

FUNNEL PLOT

Szymon Maksymiuk

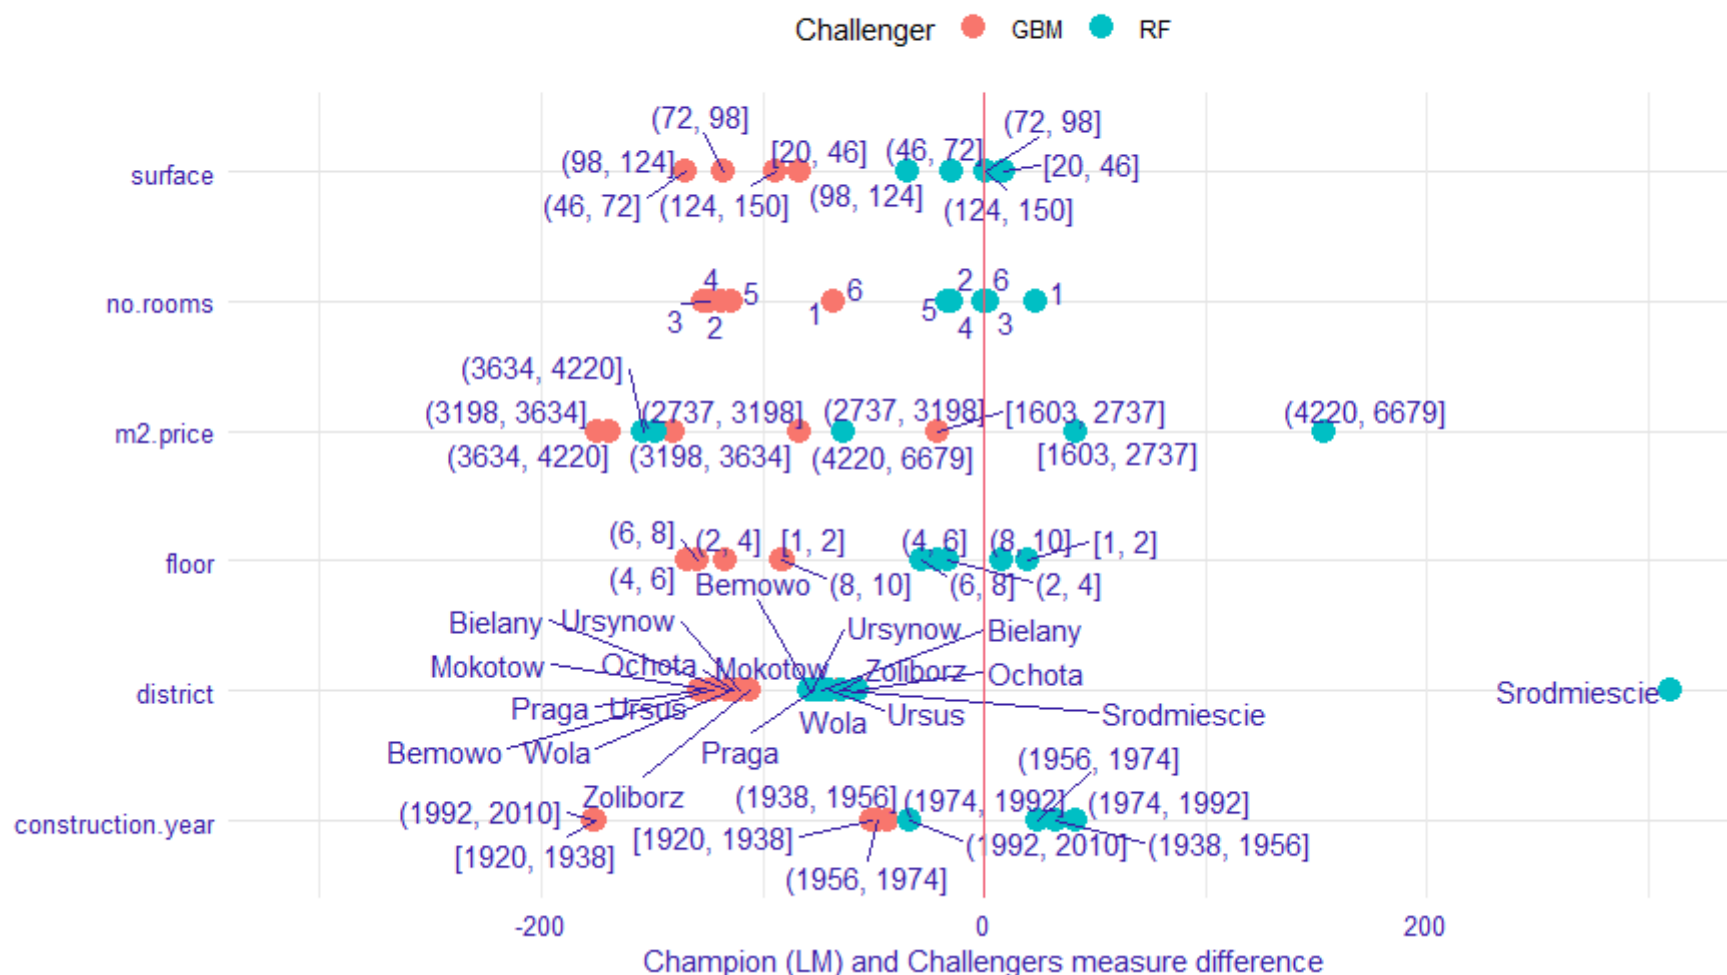

Funnel Plot

For every colour, dot on the right side of red line means that Champion (LM) is better.
Dot on the left means that one of the Challengers is better than Champion (LM)

Funnel Plot

For every colour, dot on the right side of red line means that Champion (LM) is better.
Dot on the left means that one of the Challengers is better than Champion (LM)
